27 December 1967

MEMORANDUM FOR THE RECORD

Codfrey reported that a Situation Report on Laos was prepared yesterday for the White House, State, and Defense. Godfrey indicated that a study has been completed on rising anti-American sentiment in South Vietnam. The Acting Director indicated his desire to read the study before distribution is determined. A-DD/S drew attention to an inquiry directed to the Internal Revenues and reported that Houston will travel to New York to brief the president of the Corpor-	A-D	D/I reported that Preliminary assessments of both KH-4

The Acting Director referred to a letter from General Yarborough which suggests that CIA activities in Laos are not dealing as effectively as they might with Communist infiltration and that increased guerrilla action needs to be organized to harass and disrupt enemy corridors and lifelines into Laos. The Acting Director, observing that General Yarborough may not be thoroughly informed on this matter, requested DD/P to undertake a briefing of General Yarborough on operations in Laos.

ACTIONS:

1. The Acting Director requested Bross to prepare a response for his signature to Schultze by the close of business on 28 December. — Action his signature to Schultze by the close of business on 28 December. — Action his signature to Schultze by the close of business on 28 December. — Action his signature to Schultze by the close of business on 28 December.
